# Programs & outline

## IGCSE

Students aged 11-16 will work towards their IGCSE exams in the following subjects:

- English Language
- English Literature
- Maths
- Biology
- Chemistry
- Physics
- Geography
- Computer Science
- Art and Design

## PRE A-LEVEL

In order to fully prepare our second language students for what lies ahead, St Bees School offers a unique chance to get to grips with the demands and expectations of A-Level learning within our one year IGCSE course.

From EAL Support, university counselling and preparation, combined with a real focus on building their life skills, there are plenty of opportunities for our students to shine in their studies – and as individuals, too.

## AS AND A LEVELS

At present, senior students at St Bees can study the following subjects at AS and A-Level:

- Art
- Biology
- Chemistry
- Economics
- Further Maths
- Geography
- Maths
- Physics

## EAL SUPPORT

All Pre-A students receive additional EAL lessons as part of their course. These lessons vary in terms of structure and content, but enable students to become more natural and confident within their English-speaking abilities. Additional EAL support is also available for students in other year groups through our dedicated International Centre.

# 15

Over 15 different subjects covered

The school has in the past achieved 100% pass rates and 43% A\*-A. These outstanding results placed the school as one of the highest achieving boarding schools in the North West\*

Since our school newly reopened in 2018, our first A-Level student will be graduating in the Summer of 2021, with predicted grades of A\*A\*A.

# Entry requirements

Program	Pre-A Level	IGCSE	A-Level
